Got You in a Stranglehold baby

Feature the star of your collection first.

My personal opinion is that "Stranglehold" is the greatest rock and roll song of all time. It's constantly changing, the lyrics are great and Ted Nugent rocks! I first heard it when I was in my impressionable early teens and first getting into rock and roll. I heard that song and was like wow, so this is what I have been missing. Now, it's not going to win any awards from the MeToo movement as its lyrics are pretty graphic, but it rocks man. It was recorded in 1975, way back

minutes of rock and roll.

You ran that night that you left me
You put me in my place
I got you in a stranglehold baby
And then I crushed your face

Some people think they gonna die someday
I got news you never got to go

Thinking of strangleholds, MFJ has some products to put the clamps down and hold on tight! Let's grab something!

StrangleHold

It doesn't really clamp down but it holds true that is for sure. 3 five inch magnets will hold your ham sticks high and proud and won't disappear at highway speeds. Pull strength to rival a strong man competition. We also sell these with NMO or SO-239 connectors. We also have super strong single 5-inch magnets, [MFJ-335BT](#) for 3/8-24 HF antennas, [MFJ-335BM](#) for NMO VHF/UHF antennas and [MFJ-335BS](#) for SO-239

to your radio/tuner.

antenna up to 2 inch OD. Also check out the tilt-base mount, [ATB-75](#).

Stranglehold can mean many different things. How about staking a ground plate hard into the ground? [MFJ-1914](#) comes with all you see here, so you can quickly set up an antenna and mast in the middle of a field! It holds steady and safely. Also check out [MFJ-1912](#) tire mount for more mast set-ups!
